

# **VILLAGE OF WOODSTOCK**

## **PUBLIC NOTICE**

### **Sidewalk Maintenance by Property Owners**

The Ordinances of the Village of Woodstock require property owners to keep the public sidewalks located adjacent to their property clear of snow and ice to a width of three feet.

Property owners who fail to do this will be fined a sum of \$25.00 and, in addition, will pay for the actual cost of the Village for clearing the walk of snow or ice and any additional maintenance required.
