

**Town of Woodstock
Invitation to Bid
Bridge No. 1
On Pomfret Road, Woodstock, Vermont
December 2017**

The Town of Woodstock is soliciting proposals for the removal of silt under Bridge No. 1 on the Pomfret Road in Woodstock.

A state permit (SA-1-0615), will be re-issued for this work, this permit is related to flood control and the work must be completed by September 30, 2018.

Bid Specifications

- Bridge No. 1 spans the Gulf Stream

Plans for the elevations were prepared by Bruno Associates in 1999.

Final grades after silt and debris removal will be as per these plans and the ANR Permit.

All silt removed must be disposed of in an environmentally appropriate manner by the contractor.

****Please Note****

It is the responsibility of the contractor to comply with all environmental, occupational and general laws of the State of Vermont, and the Federal government.

Any fines levied by the State or Federal governments, shall be the responsibility of the contractor to pay.

Attached please find a copy of the stream alteration permit.

Plans

Full-sized plans are available for purchase (\$18.00) at Anything Printed, 2490 East Woodstock Road, Woodstock, phone number (802) 457 – 3414.

Plans may be viewed in person at the Town Hall during normal business hours.

Plans are available at no charge electronically by request.

To request a set of plans please contact Lynn Beach by phone (802) 457 - 3456 or email lynn@townofwoodstock.org .
