

How is Woodstock Town Hall operating?

Woodstock Town and Village employees are working in Town Hall. We are taking measures to ensure the safety of employees and residents.

- The office is sanitized at opening and closing including the countertop, door handles, etc.
- Plexiglass has been installed at the counter in the front office
- Employees take their temperature every day and will not be at work if they are sick or have any of the symptoms of COVID-19
- Employees wear masks and practice social distancing except for the limited contact needed to conduct required business transactions
- Only three members of the public are permitted to come upstairs at any given time and are requested to stand at a distance following the floor markings. Please wait in the lobby.
- Only one member of the public is permitted in any office at any time. Please wait in the lobby or conference room.
- The conference room will be used if a larger meeting is needed.
- Members of the public are not permitted in offices if they are not wearing a mask. Staff will either meet you in the lobby or in the conference room and will maintain social distancing guidelines.

If you are coming into Town Hall please follow these guidelines

- Use the hand sanitizer available in the lobby and on the counter in the municipal manager's office.
- Wear a mask.
- Please do not come to Town Hall if you are sick or showing any of the symptoms of COVID-19.
