Please Note:

Over the past two years a team of volunteers and Select Board members have been working on a plan for rejuvenating the Town Hall. We have been working towards a Master Plan to guide our work as we tackle urgent needs and plan necessary improvements.

The goal of this meeting is to discuss where we are, how to proceed and to assemble a committee with appropriate skills and interest to take this project forward.

This meeting will be in the Town theatre. The theatre is set up so that everyone maintains social distancing. Please RSVP if you would like to join us so we can manage number of attendees and please wear a mask. If you are interested in being involved in the project but are not able to attend the meeting, we would be happy to meet with you individually in person or electronically.

RSVP by phone: 802-457-3456 or email: nnourse@townofwoodstock.org
