Town of Woodstock Trustees of Public Funds

February 7, 2022 @ 1pm Zoom Draft Minutes

Present: Jill Davies, Tom Debevoise, Jack McGuire

I. Discussion

a. Vanguard fund performance has declined a little in both funds. After a discussion of the climate and advice received we decided to leave the two funds balanced at 60:40

b. 2021/22 Disbursements

Already made

Expenses: \$1,500 to Town of Woodstock for Annual Audit

Cemetery Fund: \$3,000 to Town of Woodstock for Cemetery Capital Reserves

Freeman Fund: \$1,500 to Woodstock Food Shelf

New Decisions

The recent research into Marbara Bagley and Anna Williams Dreer has helped us make decisions about how to disburse these two funds. Jack will keep investigating one more possible source of information to try and discover any particular interest of Anna Williams Dreer. Unless we get new information the *Marbara Bagley Fund* will give two annual \$1500 scholarships to graduating students with priority given to any individual in need of financial assistance to enter the education field or secondly a caring profession.

Anna Williams Dreer Fund will give one annual \$1500 scholarship to a graduating student with priority given to any individual in need of financial assistance to enter a trade school.

Tom will confirm these details and the set up needed with Tina Gallagher.

II. Other Business

a. The Trustees of Public Funds registered their disappointment that the audit is again late and not available for the town report.

III. Next Meeting – not set

IV. Adjournment
