VILLAGE REPORT 2021-2022 FORWARD

In 2021 Teagle's Landing, dedicated to the memory of Frank Teagle, was renovated, and transformed into a safer and more beautiful pocket park in the center of Woodstock Village. Funded by the Woodstock Economic Development Commission, this beautification project was managed by EDC Vice Chair Joe DiNatale with assistance from Chamber of Commerce Director Beth Finlayson and Coordinated with the Woodstock Village Trustees.

Village Trustee Report

This past year in the municipality of Woodstock Village we saw both movements away from the worst impacts of Covid 19 as well as a retreat from relief due to the arrival of the Omicron variation. Nevertheless, a lot was accomplished in the Village. In last year's report I noted that only five permits for parades or events were issued. This past fiscal year saw 24 permits issued which is very close to the pre-Covid average of 28 permits issued per year.

The spring of 2021 saw the noisy and disruptive grinding and repaving of Routes 4, 12 and 106 within the Village. We can now enjoy the much better road surface for a number of years before its inevitable deterioration brings the temporary fix back again.

One of the major factors contributing to road surface decline, and foundations near Rt. 4, in the Village is large and very heavy trucks. Unfortunately, and despite our best efforts to retain over length truck permits the state has decided to end the need for long tractor trailers to acquire free permits in order to use Rt. 4 through our Village. This no permit policy goes into effect July 1, 2022 and will bring an estimated 16,000 additional yearly truck trips through Woodstock.

A happier story took place in July 2021 when the long anticipated renovation of Teagle's Landing was completed and subsequently enjoyed by residents and visitors alike. Our thanks go to the Woodstock Economic Development Commission for funding this beautification project (see ribbon cutting photo on a previous page in this report).

Last July also saw a lifting of the indoor mask requirement in the Village. Unfortunately, Omicron brought that requirement back in January 2022 with the hope that it will be lifted again before spring arrives.

Another highlight of 2021 was the very successful Friday evening Pentangle concerts held throughout the summer in our increasingly popular East End Park. These lovely community gatherings centered around Pentangle's wonderful concert choices have been permitted and scheduled to return this coming summer. Thank you, Sustainable Woodstock, for creating this jewel of a park in our Village.

Another jewel which adjoins the East End Park is the upgraded and favorite new Woodstock walking adventure, the Ottauquechee River Trail. Thanks go to Tom Weschler and his dedicated volunteers for maintaining and improving this scenic river trail.

Pent up travel demand was a blessing for local businesses after a very tough 2020. The large influx of visitors in the Summer and Fall of 2021 came with challenges, particularly for reliable and available food services. Largely due to staffing shortages, many food purveyors were closed more often than in the past and especially on Sundays and Mondays. Additionally, the loss of the Mountain Creamery to West Woodstock made breakfast and lunch time more difficult. In response, the Village Trustees issued permits for both profits and non-profits to provide food service on and around the Green. This helped but was insufficient at peak times. New food venues for the summer of 2022 should help but the root problem of staffing, which is tied to housing that is affordable, remains. Work to improve that situation, especially by the EDC, is ongoing but there is no quick fix to the problem.

Positive news last summer came in the form of \$260,000 in ARPA (American Rescue Plan Act of 2021) funds dedicated to the Municipal Village of Woodstock. These funds must be used by 2026 and the Village Trustees, in concert with the town Select Board (the town also received ARPA funds), will decide in the year ahead the best ways to use these funds for the benefit of the Village and Town. These funds are an example of how the Village benefits from its municipal designation as Woodstock Village was chartered as a distinct municipality in 1836.

Other notable Village occurrences:

- A Declaration of Inclusion was adopted by the Trustees.
- Village resident Jim Bradley created and donated new copper lanterns which adorn our Middle Covered Bridge.

- A committee to explore ramifications of cannabis dispensaries was created and a report issued.
 Subsequently, a cannabis commission was formed, and the public was educated prior to a vote by both
 Village and Town to allow or not to allow cannabis dispensaries in the Village and/or Town.
- Thanks to EDC funding new and more attractive trash/recycling receptacles will be placed in the Village this spring.
- The new Emergency Services Building is slated to be finished and open to the public this spring.

Finally, I wish to acknowledge the hard work and dedication of the folks employed by the Village and Town. A very big thank you goes to leadership shown by our Municipal Manager Bill Kerbin, our Police Chief Robbie Blish, our Fire Chief David Green, and our Highway Department Head Elijah Lemieux. To my fellow Trustees, Seton McIlroy, Vice Chair, Brenda Blakeman, Bill Corson, and Daphne Lowe, as well as our town Select Board chaired by Mary Riley, I again offer thanks and appreciation for the mutual cooperation and work offered on behalf of the very special Village and Town we are fortunate to both inhabit and nurture.

Respectfully submitted,

Jeffrey Kahn Board Chair Woodstock Village Board of Trustees

REPORT OF VILLAGE MANAGER

I herewith submit my annual report to the voters of the Village of Woodstock.

Financial

The village financial records for the Fiscal Year that ended on June 30, 2021, were audited by the firm of Mudgett, Jennett & Krogh-Wisner of Montpelier who concluded that the Village's financial records are in conformance with the generally accepted accounting principles in the United States. The Annual Audit is available on our website at www.townofwoodstock.org. In the 2020-2021 fiscal year, Village voters approved total appropriations of \$1,345,829 and tax appropriations of \$562,654; the balance of revenues came from other sources.

Unified Highway Department of the Town and Village

The highway department of the Village has been incorporated in the highway budget of the Town reflecting that all Woodstock residents pay the same rate for highway services. During the winter months, residents of the Village of Woodstock can pick up a bucket of sand or salt at the Town Garage for personal use on private driveways.

Police

The Woodstock Village Police are a very professional police department who all care very deeply about providing top notch police services and other public safety services to all. For example, many of our police officers are also EMT's. When calls come in for people experiencing medical distress in the village and if the officer on duty is an EMT, that officer will respond directly to the scene and begin rendering aid, often before the ambulance arrives because the on-duty officer is present in the village. Our officers are very intent on enforcing truck laws within the village. We realize that the size and noise of the big trucks is a detriment to our quality of life. We can enforce within the limits of the law. Our police department is a very dedicated group of police officers who pride themselves on being fair and equitable to all, treating resident and tourist alike.

Complaints

I strive for the best level of service for our residents. If any resident of the Village ever has a complaint regarding the performance of any Village or municipal department, please feel free to directly contact myself, the department supervisor or a village trustee. I want you to know that all comments are taken seriously. Furthermore, I want you to know that I am generally available to discuss any concerns you may have Monday -Friday 8:00 a.m. to 4:30 p.m. either in person at Town Hall, by telephone at 802-457-3456 or by e-mail at wkerbin@townofwoodstock.org.

I wish to thank the citizens of the Village, the Village Trustees and the employees of the Village for their dedication and cooperation.

Respectfully submitted,

William H. Kerbin Jr. Village Manager

AUDITOR'S CERTIFICATION

The financial statements of the Village of Woodstock, Vermont for the fiscal year ended June 30, 2021 were audited by Mudgett, Jennett & Krogh-Wisner, P.C. of Montpelier. The financial statements will be available, with our independent auditor's reports, at the Office of the Municipal Manager, Town of Woodstock, PO Box 488, Woodstock VT 05091 once the final statements are issued.

Sincerely,

Principal

Woodstock Town and Village Endowment Fund

In 1993, the Rockefellers gave the Town and Village \$625,000 "as an endowment fund to produce annual payments to help offset the loss of real estate taxes" after their property was given to the National Park Service. It was the hope of the Rockefellers that "the Town would wish to retain the fund as a permanent endowment." For many years the funds were managed by Seaward Management for the Village Trustees and Town Selectboard. The firm followed the ordinances and investment guidelines adopted by the Village Trustees and Town Selectboard in 1994 and 2009. The Town and Village received \$41,200 annually from the fund.

In 2017 the management of these funds was revised to increase diversity and reduce costs. The investment guidelines and ordinance were updated to reflect these changes.

The funds are managed by the Village Trustees and Town Selectboard following advice from the Investment Advisory Committee, a group of residents who have investment experience and an interest in socially responsible investing. The Committee reviews performance, asset allocation and investment alternatives and makes a quarterly report to the Trustees and Selectboard.

The funds are invested in three places

- 59% in an equity index fund: Vanguard's Social Index Fund (VFTSX)
- 36% in a fixed income fund: Vanguard's Intermediate-Term Treasury Index Fund Admiral Shares (VSIGX)
- 5% in a community-focused lender: Vermont Community Loan Fund's Social Investment Term Account

The value of the fund increased by 6% after \$76,800 was transferred to the Town and Village in lieu of annual taxes and an extraordinary withdrawal of \$200,000 for capital expenses was made. The numbers below are from unaudited accounts as the Town/Village audit is not available at publication date.

We look forward to managing these funds in the coming year and upholding the intent of the original donors.

Respectfully submitted, Jill Davies, Mark Hall, Jeffrey Kahn, Patrick Proctor and Ann Quasman Investment Advisory Committee

Woodstock Village Public Trust Funds

The Village of Woodstock is the beneficiary of four Public Trust Funds. These Funds are managed by the Trustee of Public Funds and audited each year by the Village auditors.

The Funds were managed by Chris Lloyd until his resignation and my appointment on August 10, 2021.

In the financial year ending June 30, 2021 the funds were invested in one CD with an annual return of 0.3%. No monies were dispersed except for expenses of the audit fee (\$400) and the safe deposit box (\$51).

In October 2021 the CD was closed and the monies invested in low-cost Vanguard Index Funds. The Index Funds are the same ones chosen by the Investment Advisory Committee for the Town and Village Endowment Fund. This investment is in accordance with the May 2018, Vermont State Legislature authorization to trustees of public funds to invest public funds in securities and bonds

The Public Trust Funds are described below with an estimated year end value. These values are unaudited as the audit for FY2021 is not yet available.

The Frank S MacKenzie Fund was established in December 1921 and January 1922 with an original gift of \$3,000 "for the purpose of continuing the exhibition of fireworks on the Fourth day of July each year..." Balance: \$5,188

The Orley A Whitcomb Fund was established in April 1936 with an original gift of \$26,585 "to be used for the civic betterment of said Village of Woodstock... I would recommend that the sum of Five Hundred Dollars per year, or more in the discretion of said Trustee, be devoted to the employment of a district nurse, unless provision is otherwise made whereby the community has the services of a district nurse without contribution from this fund." Balance: \$88,965

The **Old Fire Station Fund** was established in 1982 with an original gift of \$49,947 from the Village Trustees. The use of this fund is to be determined by the Village voters at a duly warned regular or special Village meeting. Balance: \$30,498

The **Ethel Woods Sidewalk Fund** was established in 1935 with an original gift of \$40,155 'for the care and upkeep of the sidewalks in said Village." Balance: \$59,288

Jill Davies, Village of Woodstock Trustee of Public Funds

2021 VILLAGE OF WOODSTOCK PLANNING & ZONING ANNUAL REPORT

February 11, 2022

Planning and Zoning witnessed a sustained increase in permit activity throughout 2021.

A Municipal Planning Grant application was made to assist in updating the Village Zoning Regulations to increase affordable housing options in Woodstock and the region. The affordable housing crisis in the Upper Connecticut River Valley has reached new highs. Efforts to increase Accessory Dwelling Units are continuing. Act 179 became effective, which reduces regulatory barriers for Accessory Dwelling Unit construction. Rental housing is a major concern in the village, Accessory Dwelling Units and apartment creation are key to addressing this concern.

The Village Development Review Board remains fully staffed. The Village Design Review Board lost a long-standing member, Nancy Sevcenko, since she moved to New Hampshire. Her vacancy has been filled by Ellen Soroka. The Village would like to thank Nancy Sevcenko for their service and commitment to the community.

Coordination with the Inter-Regional Energy Coordinator continues as part of the IREC committee. Solutions to meet energy efficiency measures are continuing while the Climate Action Plan progresses. Meetings with State legislators could potentially bring the Village of Woodstock closer to achieving the objectives and goals, such as net zero.

Overall, eighty-six permits were issued in the Village. Administrative permits (34) led the way. The number of single-family home permits increased by one. A short-term rental was converted to a Bed and Breakfast. A conditional use permit was issued to help increase desperately needed rental opportunities. One home occupation permit was issued and a new business in the Village was permitted; filling a void in a vacant store front. Lot line adjustment permits, 4 were issued. Short Term Rental permits (less than 30 days) decreased to one permit.

All comments concerning any planning and zoning issue are more than welcome. Please contact either Neal Leitner - Town Planner, Brooke Blish- Land Use Coordinator, or members of the Planning Commission. The planning and zoning process requires the input of the citizens for it to be both fair and equitable. Keep the comments coming!

Respectfully submitted,

Neal Leitner Town Planner & Administrative Officer nleitner@townofwoodstock.org

Village Police Report

I respectfully submit my annual report to the Village of Woodstock Board of Trustees and residents.

First, I extend my appreciation to the Trustees, Municipal Manager and, in particular, the Village Residents for their support of their police department. I also thank the Officers, Dispatchers and Staff of the Woodstock Police Department. Their hard work and dedication to the Woodstock community make the achievement of our mission possible. Our goal, as stated in the department's Mission Statement, is "To provide a safe and orderly environment in Woodstock through professionalism, high quality police service, an active partnership with the community and a concern for individual dignity by assuring fair and equal treatment for all."

The Woodstock Police Department provides wide ranging services 24 hours a day, 365 days a year. The police service provided is an exceptionally high level of service. WPD Officers and Staff are proud to be able to provide such service to the Woodstock community, making it consistently rated as one of the safest communities in Vermont, as well as a great place to live and work. During 2021, 1,146 service calls, see the Calls for Service list, were handled by the Woodstock Police Department in the Village out of a total of 1,899 calls. In addition, 6,612 parking tickets were written, 635 traffic citations were issued and 15 arrests were made.

Did you Know?: Woodstock's parking system offers 3 easy ways to pay. You can use coins, a credit card or the Parkmobil Parking app.!

During 2021 the Police Officers of the Woodstock Police Dept. voted to unionize and a fair and equitable contract was agreed to and ratified by the Officers and Village Trustees. It was effective July 1, 2021 and is a 3 year contract. In addition, since July of 2021 we have had an officer vacancy and despite continuous advertising on various platforms there have been no viable candidate applications. Recruitment and Retention of police officers has become a nationwide crisis and Vermont agencies, including Woodstock, have not been immune. A primary goal for the upcoming year is to fill the vacant position, as well as to retain the Officers we have. However, as always, the positon will only be filled with a qualified candidate that is the right fit for Woodstock. Maintaining the high standards and professionalism of the department that the citizens of Woodstock deserve and expect is paramount.

Fun Fact: WPD collected 440 pounds of food for the Food Shelf and collected 6 shopping carts of Toys for Toys for Tots campaign.

In that vein we strive to foster an active partnership with the community. We continue to use our social media platform on Facebook (Woodstock Vermont Police Department) and maintain our website at www.woodstockpolice.org in order to help facilitate this goal. WPD also held its annual Thanksgiving food drive to benefit The Woodstock Food Shelf and again did our annual Christmas Toy drive to benefit the Marine Corps Reserve Toys for Tots campaign for needy children.

New Parking Meters and Parking Kiosks, as well as a new parking app., Parkmobil, were introduced in January of 2021. Residents and guests alike can use coins, credit cards or the app. to pay for their parking. Additional Permit Parking spots were also added in the parking lot behind the Court House. The upgrade of the meters and expansion of the parking systems has been successful, but not without some bumps, and I wish to thank all of the Woodstock Residents for their patience during the transition.

In 2021 the opioid crisis continued to rage throughout all communities and during the course of the Pandemic there has been an increase in overdoses. The Woodstock Police Department continues to maintain a Prescription Drug Drop box in the lobby of the Emergency Services Building. Citizens can drop off any unused and unwanted prescription medication they have 24 hours a day/ 7 days a week.

Again, I thank all of the men and women of the Woodstock Police Department for their hard work and professionalism, as well as the other departments and personnel of the Village and Town for their assistance and support.

Respectfully Submitted, Chief Robbie Blish

Tree Warden Report

The summer of 2021 was very productive in the care and planting of our village trees.

We were able to plant 11 new trees on the Village Green. These included 5 maples, 5 oaks, and 1 elm. They are a great addition to our landscape and will be enjoyed by all for years to come.

We also were able to have most of the street trees in our downtown business district pruned. This included thinning the crowns, removing deadwood, and removing branches interfering with pedestrian traffic, vehicles, and buildings.

I have been working closely with the Urban and Community Forestry Program and the University of Vermont extension service to learn more and monitor invasive species in the area, especially the Emerald Ash Borer. This insect could have major impact on our ash trees in the near future. We are working on a plan as how to best deal with this pest. I am promoting a program to inject the ash trees on our streets which will protect them from insect damage and save them for future generations to enjoy.

I am looking forward to continuing with more pruning and general maintenance of our trees as well as planting more trees in the coming year.

Respectfully submitted,

Don Wheeler Tree Warden
