Applicant agrees to install low flowing plumbing fixtures. Further, applicant agrees to be responsible for repairing or replacing any damage done to Town sewer lines, streets, roads, and/or sidewalks and to see that said repair/connection is done in accordance with the applicable Town Sewer Regulations or as determined by the Municipal Manager. The applicant also agrees to hold the Town and Village harmless from any damage/injury caused to a third party. The applicant agrees to pay the designated application fee to the Town at the time of the application for this permit

and to advise the Director of Public Works in advance of construction to permit scheduling of the repair inspection. (See below for fee schedule)

Applicant must obtain easements from all affected landowners if any part of the sewer line passes on lands of another landowner.

By signing this application, I understand that I also need to obtain a potable water supply and wastewater permit from the State of Vermont - Contact the State by telephone at (802) 591-0338 or by email at [terry.shearer@vermont.gov](mailto:terry.shearer@vermont.gov)

Additionally, I understand that once the connection is made, I am required to submit an "as built" drawing of the actual connection prepared by the installer to the Town of Woodstock before the permit is issued.
