Applicant: The Troops LLC

Zone: CC Overlay Zone; DR

Proposal for Design Review: Install two Balconies on the third-floor exterior.

John Wetmore

Application to install two Fire escapes as required by the fire marshal.

The board recommends that the material used is like what is already on the building.

John Mentioned that the company that will be sending the materials may not be able to send customizable materials within a reasonable price range.

The board suggested that John call the company and see if it's possible to match the existing fire escape.

The board Discussed changing the board from 5 people to 7. One person to fill Jacks place, and one person as a potential alternate for meetings. No decision was made this meeting.

Meeting adjourned at 4:40.
