Municipal Manager's Statement

It is with great enthusiasm and pride that I submit my first Municipal Manager's report for the FY 23 Village Report. My first year in Woodstock has flown by and I appreciate this opportunity to pause and reflect on my experience so far. However, before I do that, I want to thank everyone who has come to meetings, reached out to my office about Woodstock, and have been engaged in the community. A government can only function when its residents are actively involved, and I hope we continue to see more and more people becoming engaged and taking an interest in the community.

If I had to give fiscal year 2023 a motto, it would be *Woodstock's year of transition*. For the first seven months there was an interim Municipal Manager, we hired a new Planning and Zoning Director along with an Administrative Assistant for that office. We welcomed a new Director of Public Works and FY23 ended with the retirement of Police Chief Robbie Blish and the hiring of Joe Swanson as the new chief. Further, there were some internal changes with a new Assistant Fire Chief starting, a new Finance Director coming on board, and the creation of a Human Resources position. It is a credit to these new additions and to our municipal staff that there was little disruption in all this transition and that despite all these changes, Woodstock remains a functional and effective government offering all the services our residents, business owners, and visitors require.

It is hard to give a report on the last year without acknowledging the flood in July and the more than ten days of non-potable water. Although Woodstock was mostly spared from severe damage, there are still residents and businesses that are feeling the consequences of the flood. I want to express my deep gratitude for all the hard work our Department of Public Works, the Fire Department, and the Police Department did over that time to keep our residents safe and the municipality secure. I also want to thank the entire community for coming together and helping each other out. The restaurants, stores, and cafes that prepared meals for our older residents, the community members who delivered water to families, and everyone who stepped up to help someone who was in need. It was truly amazing to behold the sense of community here throughout the summer.

I have spent the last year trying to learn about Woodstock's past and present while trying to analyze and plan for where Woodstock will be in the future. Although I have only been here for a year, it is clear that Woodstock has a lot of deferred maintenance issues that will require, in the coming year, more capital to update and then to keep in good condition. Further, the municipality is currently understaffed based on the needs and demands of the area. Finally, with the housing market, there is a real fear that Woodstock will become a destination for only those who can afford million-dollar homes or expensive weekends away. This would have a devastating impact on the community and the economy as it will become nearly impossible to recruit and retain workers and school based families. Therefore, it is one of my major goals in the coming year to work with both the Selectboard and Trustees, the community, and my staff to start the outline of what we can do to ensure Woodstock's future is as promising as its past. I encourage everyone to try to attend board meetings, become engaged in the community, and work with us to help to craft the next phrase of Woodstock's unique and inspiring future.

Thank you,

Eric Duffy

Woodstock Village Board of Trustees
Fiscal Year 2023 Annual Report
February 1, 2024

The last year has been a combination of welcoming new leadership and celebrating the people and traditions that make Woodstock special.

We started 2023 by welcoming new Municipal Manager Eric Duffy. To say it's been baptism by fire would be an understatement. Lucky for him, community members quickly embraced him and offered advice, help, resources and the occasional drink to set him settled in.

Eric's first big task emerged early when our long time Police Chief, Robbie Blish, announced his retirement. A beloved and well respected officer, we knew any successor would have big shoes to fill. A police chief search committee made up of citizens and elected officials was organized and a Vermont based consultant was hired. After a thorough search, we found the best person for the job in our own backyard. Sergeant Joe Swanson was officially hired to be Woodstock's new Police Chief. Much like Eric, Joe had to hit the ground running. His first official week on the job was when the rain started.

The July flooding was a reminder of how vulnerable our Village is to the erratic whims of climate change but also the strength, compassion and resiliency of our community. Our first responders did an excellent job of not only keeping people safe but of allowing residents access to their well to fill up jugs and delivering bottles of water.

To keep our roads open, Mark Hunter and our road crew worked overtime for weeks. Just as they fixed a flooded spot or cleared out a culvert, another storm would come and wash away their progress. We are so thankful for their commitment and expertise.

Our residents were quick to offer a helping hand to businesses and neighbors. Volunteers showed up to shovel mud, to offer food, clothes, money and cleaning products. Sustainable Woodstock headed up an effort to remove and replace the skirting on trailers at Riverside Park. The Ottauquechee Health Foundation and North Chapel became collection and distribution points for donated goods and supplies. The HUB fundraised and quickly sent out checks to residents displaced from their homes or furloughed from their jobs.

It was another record year for tourism in the Village. After the summer flooding and a water main break prevented people from visiting, our businesses, residents and Chamber of Commerce made sure the world knew that Woodstock was open for business. During foliage, it wasn't unusual for thousands of visitors to go through the Welcome Center in a single day.

Speaking of visitors, concerned residents and businesses asked the Trustees how we could add bathrooms and food options during the busiest times of year. We tested out the idea of setting up port-

a-potties behind the courthouse during Indigenous Peoples Day weekend to see if there was a demand. The additional restrooms were well used throughout the weekend and we plan to bring them back next fall. Shout out to Norman Williams and the Windsor County Courthouse for accommodating this unusual situation in the parking lot! During three weekends in October, non-profits and a local catering company set up on The Green to offer quick and delicious meals and snacks. On most days, everyone sold out quickly. The Trustees hope this will become an annual event!

A surprising discovery in 2023 was that the Village actually owns the park in front of the library. After many discussions with the library, a nearby homeowner, the Trustees and the public during meetings we are in the process of codifying how that space, "The Gore" as it is referred to in old documents, can best be used for our community. Stay tuned for updates and discussions at upcoming Trustees meetings.

As we begin a new year, I'm looking forward to continuing to work with my fellow Trustees, Brenda Blakeman, Bill Corson, Jeffrey Kahn, a soon-soon-to-be elected new Trustee, the Town Select Board, as well as the amazing staff at Town Hall, the Emergency Services Building, the Village and Town Garages and the Sewer Plants.

Respectfully Submitted,

Seton McIlroy

FY2023 Woodstock Village Public Trust Funds Summary

The Village of Woodstock is the beneficiary of four Public Trust Funds. These Funds are managed by the Trustee of Public Funds and audited each year by the auditors appointed by the municipality.

Investment decisions are made jointly by the Trustee of Public Funds and the Village Trustees. The disbursement decisions are also made jointly with the exception of the Old Fire Station Fund. These decisions are made by Village residents in a duly warned regular or special Village meeting.

Until September, 2021 the Funds were invested in one CD with an annual return of 0.3%. In October 2021 the CD was closed and the monies invested in low-cost Vanguard Index Funds. The Index Funds are the same ones chosen by the Investment Advisory Committee for the Town and Village Endowment Fund. This investment is in accordance with the May 2018, Vermont State Legislature authorization to trustees of public funds to invest public funds in securities and bonds. The invested funds decreased in value this financial year after disbursements and reflecting the stock market performance.

The Public Trust Funds are described below with an estimated year end value. These values are unaudited until the audit for FY2023 audit is available.

The **Frank S MacKenzie Fund** was established in December 1921 and January 1922 with an original gift of \$3,000 “for the purpose of continuing the exhibition of fireworks on the Fourth day of July each year...” In October 2022, \$300 was disbursed to help pay for the Town 2023 Fireworks. Balance: \$3,530

The **Orley A Whitcomb Fund** was established in April 1936 with an original gift of \$26,585 “to be used for the civic betterment of said Village of Woodstock... I would recommend that the sum of Five Hundred Dollars per year, or more in the discretion of said Trustee, be devoted to the employment of a district nurse, unless provision is otherwise made whereby the community has the services of a district nurse without contribution from this fund.” In October, 2022, \$5,600 was disbursed to help pay for the Village tree work caused by the emerald ash borer and East End Park expenses. Balance: \$65,282

The **Old Fire Station Fund** was established in 1982 with an original gift of \$49,947 from the Village Trustees. The use of this fund is to be determined by the Village voters at a duly warned regular or special Village meeting. In October 2022, after the duly warned meeting and vote, \$2,000 was disbursed to help pay for the Village tree work caused by the emerald ash borer. Balance: \$22,383

The **Ethel Woods Sidewalk Fund** was established in 1935 with an original gift of \$40,155 “for the care and upkeep of the sidewalks in said Village.” \$50,974, the total fund value, was disbursed to be used to improve Village sidewalks. Balance: \$760

Respectfully submitted,
Jill Davies, Village of Woodstock Trustee of Public Funds

FY2023 Woodstock Town and Village Endowment Fund

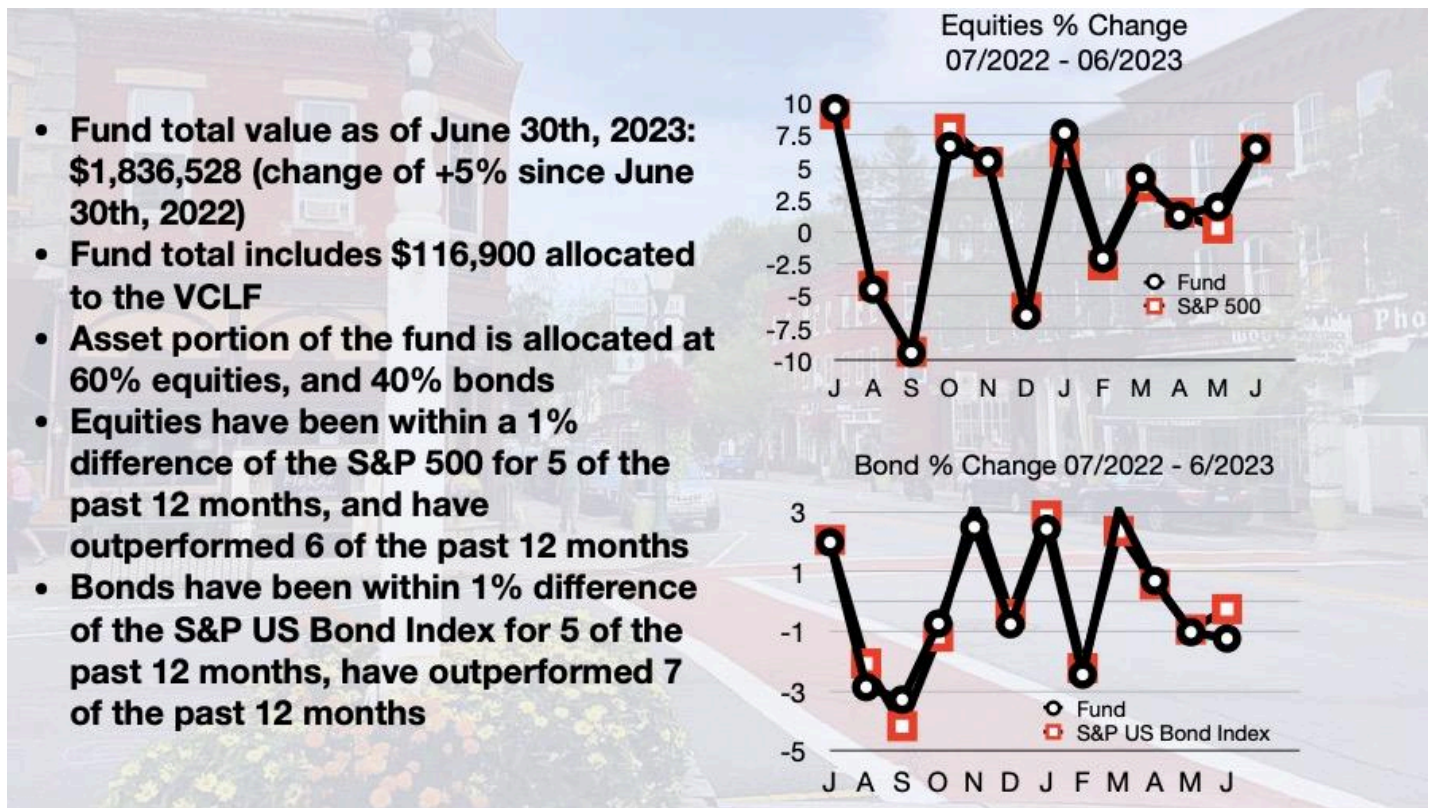

In 1993, the Rockefellers gave the Town and Village \$625,000 “as an endowment fund to produce annual payments to help offset the loss of real estate taxes” after their property was given to the National Park Service. It was the hope of the Rockefellers that “the Town would wish to retain the fund as a permanent endowment.” For many years the funds were managed by Seaward Management for the Village Trustees and Town Selectboard. The firm followed the ordinances and investment guidelines adopted by the Village Trustees and Town Selectboard in 1994 and 2009. The Town and Village received \$41,200 annually from the fund. In 2017 the management of these funds was revised to increase diversity and reduce costs. The investment guidelines and ordinance were updated to reflect these changes.

The funds are managed by the Village Trustees and Town Selectboard following advice from the Investment Advisory Committee, a group of residents, appointed by the Selectboard and Trustees, who have investment experience and an interest in socially responsible investing. The committee reviews performance, asset allocation and investment alternatives and makes regular reports to the Trustees and Selectboard.

In FY2023 the Fund made the annual disbursement “in lieu of property taxes” of \$80,500. This represents a 5% increase over the FY 2022 disbursement to mimic the increase in taxes for the Town and Village.

The funds are invested in three places:

- An equity index fund: Vanguard’s Social Index Fund (VFTSX);
- A fixed income fund: Vanguard’s Intermediate-Term Treasury Index Fund Admiral Shares (VSI GX);
- A community-focused Vermont lender: Vermont Community Loan Fund’s Social Investment Term Account.

We look forward to managing these funds in the coming year and upholding the intent of the original donors.

Respectfully submitted,
 Jill Davies , Mark Hall, Jeffrey Kahn, Patrick Proctor and Ann Quasman
 Investment Advisory Committee

PLANNING & ZONING DEPARTMENT
2023 VILLAGE ANNUAL REPORT

In spring of 2023, the Department welcomed Stephanie Appelfeller to our team. Stephanie brings with her an extensive resume of experience in real estate and non-profit development. Stephanie's professionalism and positivity has quickly made her a valuable team member to the Department and the Woodstock community.

Over the last year, the Department took the lead on initiating and securing the adoption of the Woodstock "housing amendments." Together, the Department and Planning Commission worked to implement the statutory changes enacted by the Vermont General Assembly during the 2023 legislative session. Specifically, Act 47 (S.100) made multiple changes to municipal planning and zoning regulations and focused on enabling the development of more housing in the state. In movement with these statutory changes, the Department and Planning Commission looked to simplify and shorten the permitting process for landowners and developers that have a desire to build more housing in Woodstock.

The Village is the primary focus area for growth because most of the Village is served or could reasonably be served by existing sewer and water infrastructure. In October 2023, after 18 months of diligent work by the Department and Commission, the Board of Village Trustees adopted the amendments. The housing amendment have been called "the most positively impactful regulatory change in Woodstock since the initial enactment of the land use regulations."

Since the beginning of 2023, the Department has permitted sixteen new multi-household residential units in the Village. All of which would not have been possible but for the adoption of the housing amendments. We consider this a tremendous step in the right direction. However, studies show that Woodstock needs to permit closer to fifty new units per year to produce enough supply to keep up with demand.

The Housing Chapter of the 2023 Comprehensive Plan repeated calls for the additions of "new residential construction to areas which are contiguous to existing development and within easy access to service." However, without the near-immediate expansion and improvements to our rapidly declining infrastructure, such developments are less economically feasible for developers.

In fall, our department had the opportunity to attend the 2023 Northern New England Planning Conference. According to other municipalities across Vermont, New Hampshire, and Maine, nearly all of them are dealing with similar barriers to the growth of their communities. The good news is that the municipalities implementing new methods have started to see positive results.

In the coming year, the Department is committed to leading the charge toward finding solutions to our community's growing list of challenges, including how to plan out and pay for these necessary improvements.

Together, we are Woodstock.

VILLAGE POLICE REPORT

I respectfully submit my annual report to the Village of Woodstock Trustees and residents.

First, I wish to thank the Officers, Dispatchers and Staff of the Woodstock Village Police Department. Their hard work and dedication to the Woodstock community make the achievement of our mission possible. I also extend my appreciation to the Village Trustees, Municipal Manager and, in particular, the Village residents for their support of their police department. Our goal, as stated in the department's Mission Statement, is **"To provide a safe and orderly environment in Woodstock through professionalism, high quality police service, an active partnership with the community and a concern for individual dignity by assuring fair and equal treatment for all."**

The Woodstock Village Police Department provides an exceptionally high-level full spectrum of police services 24 hours a day, 365 days a year. WPD Officers and Staff are proud to be able to provide outstanding service to the Woodstock community, making it consistently rated as one of the safest communities in Vermont, as well as a great place to live and work.

During 2023, 2,391 service calls were handled by the Woodstock Police Department in the Village and 1,417 traffic stops were conducted in the Village, resulting in 1,001 traffic citations. In addition, 8,135 parking tickets were written, and 40 arrests were made. The adjacent list of observed incidents provides additional insight into the various types of incidents handled by the Police Department.

Did you Know?: Woodstock's parking system offers 3 easy ways to pay. You can use coins, a credit card or the Parkmobile Parking app.!

We are fully moved into our new working quarters and are enjoying the improvements. The renovation of the existing building has allowed the Police Department to enhance the efficiency of the Officers, as well as increase officer safety and come into compliance with best practices in several areas of the department's operations.

During 2023 the Woodstock Police Department experienced some changes in staffing. Joe Swanson was promoted from Sergeant to Chief in July when Robbie Blish Retired after 12 years of dedicated service to the Department and Community. Chris O'Keeffe joined our ranks as Sergeant. He previously worked for Vermont Department of Motor Vehicles Safety and Enforcement and before that Hartford Police Department. Kirsten Murphy came to Woodstock Police Department and was soon promoted to Corporal. We also hired three new officers to fill open vacancies: Owen Tarleton, Liz Turco, and Sanuj Arora. Together Woodstock Police Officers work hard to provide a high level of service to the Woodstock community and to maintain the high standards and professionalism of the department that the citizens of Woodstock deserve and expect.

Fun Fact: WPD annually collects food for the Food Shelf at Thanksgiving and collects toys for Toys for Tots at Christmas!

The opioid crisis continues to rage throughout all communities and during 2023. The Woodstock Police Department continues to maintain a Prescription Drug Drop box in the lobby of the Emergency Services Building. Citizens can drop off any unused and unwanted prescription medication they have 24 hours a day/ 7 days a week.

As previously mentioned, Woodstock enjoys a low crime rate and is consistently rated as one of the safest communities in Vermont. However, as in any community, there are incidents of crime and citizens are encouraged to take proactive measures in ensuring they do not become victims.

Once again, I thank all of the men and women of the Woodstock Police Department for their dedication and professionalism, and I also thank the other departments and personnel of the Town and Village for their assistance and support.

Respectfully Submitted,
Chief Joe Swanson

Village Tree Warden Report

Overall tree health in the Village is very good.

Emerald Ash Borer has been positively identified in the Village in more than one location. This spring we will do the second inoculation of the key ash trees in the Village. This hopefully will prevent the loss of such a beautiful and important tree on our Village streets. This summer we will also inoculate our remaining elm trees for Dutch Elm Disease. We have lost a few more elms to the disease over the last couple of years, so treatment is needed to prevent further loss.

I have been speaking with local concerned citizens discussing fundraising for more tree and downtown beautification projects. There are many projects including tree replacement, fertilization, and improvement of planting areas in the sidewalks to provide suitable long-term sites for tree planting. Many of these goals are not attainable with the basic yearly budget.

I am looking forward to a productive spring and summer focusing on pruning, fertilization and replacement of a few of the trees that have had to be removed.

Respectfully submitted,

Don Wheeler

Tree Warden
