- A. V-0049-24:** Charles & Charity Lee

Parcel ID: 23.56.29  
Review Type: Waiver to Setback  
Proposed Development: To construct porch within the front setback.

Charity Lee explained the current front porch is rotting and in need of replacement. They would like to build a new porch and extend it the entire length of the front of the home. It is currently nonconforming as within the front setback. The owner's also plan a new roof overhang on garage but that is considered administrative review.

Randy Mayhew walked through criteria for Section 606B Nonconforming Structures, and the Board determined it met all criteria.
