B. Discussion

Discussion of Village Trustee and Selectboard Goals

Eric Duffy reviews the goals set for the year, including housing development, effective and efficient government, condensing committees and commissions, implement permitting software, improving Town Hall meeting technology, addressing tourism management, affordability, and climate resiliency.

Specific goals and their scores are discussed, such as the purchase of Woodstock Aqueduct Company, capital projects, and improving communication with the public.

The upcoming vote on the acquisition of the Woodstock water system is highlighted, scheduled for the following Tuesday October 29th at 6pm

The main wastewater plant upgrade is scheduled for March, with a focus on the water company in the meantime.

Eric Duffy mentions the first training session for the Development Review Board on how to run meetings effectively without staffing is tonight run by the Ottawaquechee Two River Commission.

The creation of a capital plan is in progress, with budgets sent out to department heads.
